Please note that in respect of an account for non-contentious business below £50,000 exclusive of Value Added Tax and disbursements, you have the right within one month of your receipt of this account to require us to obtain a Remuneration Certificate from the Legal Complaints Service under Article 4 of the Solicitors (Non-Contentious Business) Remuneration Order 1994 stating what is a reasonable charge. On requiring this firm to obtain a Remuneration Certificate from The Legal Complaints Service, you must pay to this firm the paid disbursements and Value Added Tax comprised in the account, together with 50% of the Solicitors' costs unless you have already done so or the Legal Complaints Service has agreed in writing to waive all or part of this requirement. The Legal Complaints Service may waive this requirement if satisfied from your application that exceptional circumstances exist to justify granting a waiver. Separately, or in respect of contentious business, you may apply to the Court for a taxation (or assessment) of our charges under the provisions of Sections 70, 71 and 72 of the Solicitors Act 1974.

The Solicitors (Non-Contentious Business) Remuneration Order 1994 provides that interest at the rate payable on judgment debts is chargeable in respect of non-contentious work commencing one month after the delivery of the account, if the account is not paid within that period.
